BATUCADA Jewels on the skin

PARIS

Batucada develops "jewels on the skin" thanks to a unique formula & process, certified without lead nor phthalate, handmade in a non-polluting process, totally "Eco Friendly".
Batucada jewellery is designed to hug your skin, shaping and moving with you. These "jewels on the skin" have a tattoo-like appearance that is at once elegant and functional.
It is waterproof, sweat proof, and non-allergenic, perfect for everyday, sports, beach and evenings out.
Batucada develops all its collections in partnership with talented designers, as Otalia Noël, who currently works with Thierry Mugler, Yves-Saint-Laurent, Armani, Givenchy etc.
